## **South Dublin Radio Club**

At the South Dublin Radio Club meeting to be held at 8 p.m. on Tuesday July the 1st a sale will take place of the equipment of the late Dr. John Kearns EI8DE. John who died in 1999 was a DXer of note who had a particular interest in Satellite operation. His equipment is all in excellent condition and many items come complete with manuals, etc. The items for sale will all carry realistic price tags and will not be auctioned.

A list of the items available in the sale may be found on the SDR web site [www.qsl.net/ei2sdr](http://www.qsl.net/ei2sdr) Additional items may be added to the list before July the 1st. The sale items include rigs, amplifiers, transverters, power supplies and many other pieces of equipment normally found in the well-equipped shack. The club will suspend normal operations for the evening to concentrate on the sale. All are welcome to attend this important event.

## **AREN**

A number of radio experimenters provided emergency communications cover for the Lug Walk, which took place on Saturday the 21st of June last. The Lug Walk is a 50 kilometre walk that starts in the outskirts of Dublin and finishes in the Glen of Imaal. 117 walkers took part, most of whom finished, helped by good dry conditions. There were no major incidents to handle, but the radio cover allowed the checkpoint crews to keep track of progress, to pass on details of the walkers who dropped out at individual checkpoints and confirm that all participants were properly accounted for.

The AREN NET operates in Cork on the first Tuesday of each month on 145.525 MHz and on 7.043 MHz plus or minus at 2130 hrs local time. Operators who are interested in joining AREN are invited to contact John Ketch, EI2GN at the Irish Radio Transmitters Society.
